1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer who is directly impacted by each of Dominion Energy's increases.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

Continuous increases to our energy bills go against Dominion Energy's 'promises' of no increases for specific periods of time. Example: Dominion promised not to raise rates until 2021, but instead raised them 8% in 2020. Again a promise was made that rates would not increase until 2023, yet they are now proposing another increase of approximately 5%.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*
